- 1) **The definition of a successful referral** - You send an email using the form located on <http://www.liondigital.com/fun/earn-250/> and Lion Digital is commissioned to carry out the design and build of the website. Alternatively you can send an email direct to [refer@liondigital.com](mailto:refer@liondigital.com) with details of the person or company you know who needs a website. It's probably worth getting in touch with them first before you put us in touch with them. If we are commissioned we will send you an email to let you know that you have been successful.
- 2) **How & when will payment be made** – You will be sent a cheque made payable to you or your company. The cheque will only be issued when Lion Digital have received full payment for the work undertaken.
- 3) **Can I make more than one referral** – Yes you can, the referral will need to be a different person or company to count as a new referral though.
- 4) **What if it's my company?** – That's no problem. If it's your company we'll simply give you a discount on the amount we invoice.
- 5) **What if I work for a company and I make the introduction?** – That's fine. If we win the business we'll pay you £250 personally.
- 6) **When does the promotion start?** – Referrals made after the 2<sup>nd</sup> March will qualify.
